Now the semester is finally in full swing and we are in step 4 of 5 of the government's plan of the abolition of restrictions!

### Pre-student AID breakfast

Our last "poor breakfast 2 go" was a real hit! We are even happier to announce that we can finally get started with regular breakfast with pancakes again this month.

Linköping: October 20th

Norrköping: October 21st

### Backwards banquet: Ljus i Stad

SOOO fun that the interest in the MedFak banquet Ljus i Stad was so high from all our sections! We are super hyped to meet you all on October 22nd at 17:00 in Trädgårdsföreningen for an after party before going to KK together.

### SAVE THE WEEK

During week 3 in 2022, most programs at MedFak are on break between semesters, and then we at Consensus have planned something-something, so keep the week free in your calendar!

### Board member wanted!

There are two vacant board member positions on the Consensus board that all students at the Faculty of Medicine, regardless of semester, are welcome to apply for!

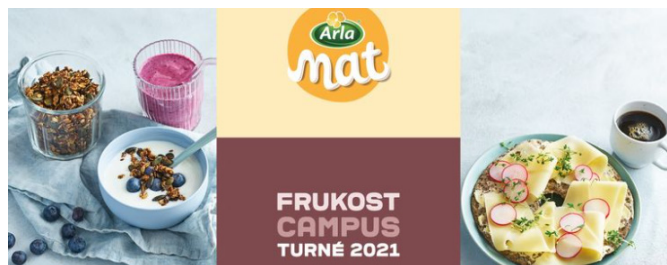

As a board member, you work about 6 hours a week and receive a fee for that time. In addition, you get a number of benefits, and get to know people outside your own section.

Apply together with a friend, or nominate someone and get a cup of coffee/tea and a chocolate ball at Café Örat.

Link to the application can be found in our bio on Instagram. If you have any questions, do not hesitate to contact the Nomination Committee at [val@consensus.liu.se](mailto:val@consensus.liu.se)

Deadline for applications is October 24!

But! You do not have to wait until the end of the month because we have a collaboration with Arla where we distribute breakfast bags already on October 5th and 6th. Just come by Magnoliaunden in Trädgårdsföreningen between kl. 7:30 and 16:00.

### Parties & Pubs

Now that the restrictions have been abolished, we can proudly present all the parties and pubs that we and our committees at the Faculty of Medicine and Health Sciences arrange!

**October 14th:** Pub at Pub örat, 15-20

**October 21st:** Pub on Trappan which Norrköping's nursing programs festeri SSKadat arranges, at 18-01

**October 23rd:** The apocalypse at KK which the Speech Therapy Programs festeri Oralspex arranges.

**October 28th:** Pub on Pub ear.

**October 30th:** Party on Trappan that the Occupational Therapist Programs festeri LATex arranges.

You will find us from Consensus at all events, since we obviously support all of our committees!
